

Last updated at 11/30/07 4:00 P.M. **This casting is now closed. All six models have been selected.**

Please go to the bottom of this document and check the instructions in the blue text area where there is a link where you can check on status of the project and whether you have been selected for consideration. If you are in the area of those who have been selected for the project you will be receiving additional information. There is no deadline for this casting. It will remain open until all of the six positions are filled. Two alternates will be picked in addition to the six primary models selected to take a place if one of the primary models cannot participate due to unforeseen circumstances on their part. At the end of this document is the most current status on the selection and review process. In the future you may also use this link:

http://www.guitaramplifierblueprinting.com/files/nashville_shoot.pdf to go directly to the latest status. The main link to the Saunders Stewart website is www.saunders-stewart-models.com

The following casting call has been placed on One Model Place and on Craigslist

Models with Saunders Stewart will have priority over models from other sources for the first five days of this casting (through 11/20/07). As of 11/21/07 all models will be reviewed on a portfolio received basis.

If you are with Saunders Stewart Models and wish to be submitted for this project you do NOT have to send anything as your bio and portfolio are already on file with us.

Models who are under consideration for selection or those who have been selected are shown in the list at the bottom of this document in the most current status section.

Seeking models for concert work and video shoot

We have a requirement for a limited number of models for this project which will run from February 15 through February 21 2008

The project entails dancing on stage during portions of three concerts. The style of the concerts and video work will be in the recent video style and performances of people such as Big & Rich, Kid Rock and Trace Adkins.

Six models will be selected. Four of the models will be chosen as primary and two as secondary. There will also be two backup alternates selected who will be contacted if selected but will not show up on the below list. Alternates will be chosen after the other six models are selected.

Four models will be used in each show. The remaining two models which are not used in a specific show will act as hostesses in the VIP lounge.

There are three shows scheduled. The models will rotate so all six models will be in at least two shows in a group of four per show.

The four primary models will be in one of the three shows which are being filmed as footage for the music video. There will be additional compensation if you are a cast member in that particular show. You will be given a copy of the concert footage on a DVD which will have not been edited. You may use the DVD or its contents for your own

use but you will be asked to sign an agreement that states a specific date when you can use the material publicly.

This tour departs and returns to Nashville. During the tour your transportation will be provided by a tour bus for two shows and airline for one of the shows. The three tour cities are not in Nashville.

Airfare to and from your home location to Nashville will be provided in advance. Meals and a per diem allowance will be paid by the tour manager. Your hotel will be provided. Two girls will be assigned to a room.

There is no specific age requirement but you should be able to fit an early twenties age format.

If you have an OMP profile our OMP member number is 86597.

Please send large format pictures and complete bio information to be considered for this project. You may zip .jpg files and text or pdf documents together in one file if desired. Your portfolio should be diverse. Some candid shots in conventional clothes are a plus. We do not need a portfolio heavy with swimsuit or lingerie shots. We do need a diverse portfolio that will show your range. If you have a good online portfolio you may send the link to your own website or if you are an OMP member you may send your OMP number. Please do not send Modelmayhem links or links from other model sites where non-members may not access your full size images as our client is not a member of all the model websites that may be on the Internet.

You will be paid 50% in advance in Nashville and the balance directly upon completion of the project. All models will receive a copy of the DVD and all still shots taken.

Your portfolio: It is difficult if not impossible to even consider you for submission if your portfolio is not diverse. You need to submit at least eight diverse photos. If you do not have at least two good, high resolution properly composed headshots and at least two good full length body shots in street clothes or fashion clothing your portfolio will probably not be considered usable by us and will not be passed along to our client in most cases. If your portfolio is comprised of little more than swim suit shots and lingerie shots it will not be approved by us and sent to our client. If you would like an example of a proper portfolio just email us at models@guitaramplifierblueprinting.com and ask for a proper portfolio example. An electronic portfolio on a website is suitable but it should also be diverse enough for us to find a dozen good images to build a presentation for our client. If your website or OMP type shots are not of large size you should send the original large size higher resolution images in an email in .jpg format (may be in a zip file) to the above address.

Compensation will be discussed with applicants chosen for consideration.

Current updated status on the selection process is available at http://www.guitaramplifierblueprinting.com/files/nashville_shoot.pdf

Current Status

This document will also be posted anytime there is an update or change with a link in the upper right hand corner in a red block on the main SSM page at www.saunders-stewart-models.com

Below are the models selected and approved by Saunders Stewart Models which have had their portfolio and bio information sent to the client as of this update. If the client selects one of the models below they will move from this list to the list directly below. If the client rejects the model on this list they will be removed from this list.

Erica Emerson, CA
Meg Perkins, FL
Susan Thornton, TX

Below are the models which had been selected and approved by Saunders Stewart Models and sent to the client. They are now in the clients three step review process for further evaluation and below is our most recent feedback from the client:

Britagne Kendell, UT
 Kelly Kaye, UT
 Ashley Danielle, CA
 Aspen Lea, FL

When the 4th box (rightmost box above) is checked off the model will have been contacted by the casting offices to arrange a face to face interview. Full compensation information will be given to the model before their interview is scheduled and their airfare if required is arranged. When their personal interview is complete and they have been accepted by the client they will be removed from this section of the list and moved to the below list.

Models Selected for the project by the client:

1. 11/16 – Amanda Warner - Malibu CA
2. 11/17 – Heather Thompson - Miami FL
3. 11/20 - Kathryn Laughten - Austin TX
4. 11/26 – Kaitlin Greene - Newton, MA
5. 11/29 - Rebecca Hollister - New York City, NY
6. 11/30 – Karen Stafford - Anchorage, AK
